Subject: carrier cra

----- Message Contents -----

Pete and I wanted to get a status update on where we are with the cost recovery agreement and associated costs and documentation. I would like to take a look at the Agreement before it is sent out if possible. Also, what kind of time frame are we looking at for getting a complete package together to send to Carrier?

I know Pete is still drafting the final letter regarding the disputed cost and would like to get your comments.

Please let me know

Thanks

Beth
